WNCAP hosted a weeklong public display of the AIDS Memorial Quilt here in Asheville at the Renaissance Hotel. This year, 160 panels were on display. The AIDS Memorial Quilt consists of over 94,000 handmade panels that travel the world telling the stories of lives lost to HIV/AIDS. If you would like to create a panel in memory of a loved one, we'd like to help you. We have volunteers who love to sew and creative people to help you design and create your panel. We meet once a month to help you move forward with your Quilting project. If you'd like to join our Quilting group, or if you'd like to consult with our team, please contact Pam at pamsiekman@earthlink.net
