WNC IS DINING OUT FOR LIFE® ON THURSDAY, APRIL 28TH

You are cordially invited to join your friends, clients, family, and co-workers on Thursday, April 28, 2016, for the 14th annual Dining Out For Life® benefit to support the mission and expanding needs of the Western North Carolina AIDS Project.

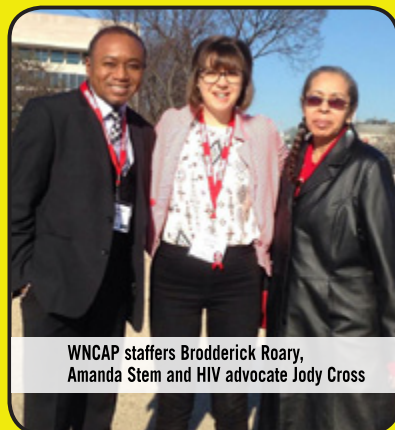

Planning for this year's event is well under way and we again look for your continued support by having a great meal at a Participating Restaurant. Our needs are greater than ever this year with federal funding continuing to drop and an increasing number of clients who need our help. Over 115 of the finest restaurants in WNC have generously agreed to donate 20% of their gross sales on April 28th to WNCAP.

You can do your part by simply eating out for breakfast, lunch, dinner, drinks, or take out, or choose a new restaurant for each meal! Please take a look at our Participating Restaurants for a full list of 2016 locations. We also encourage you to visit our DOFL restaurants all year round and thank them for their kind support. WNCAP in Washington, DC For National HIV Conference

WNCAP staff and North Carolina HIV advocates traveled to Washington, DC in March to attend the annual AIDSWatch Conference. AIDSWatch is the nation's largest annual constituent-based national HIV/AIDS advocacy event, bringing together hundreds of HIV advocates to meet with Members of Congress and to educate them about the important issues at stake for people living with HIV/AIDS in the United States.
