KIDS, GET INTO THE GAME THIS FALL

Participation in organized sports gives your child many opportunities to develop motor skills, build self-esteem, and express themselves.

Whether your child is a newbie or playing competitively, YMCA team sports will build character, model sportsmanship, and teach lifelong values.

EXCEL AFTER THE BELL WITH Y AFTERSCHOOL

Registration is now open for YMCA Afterschool Programs for Asheville City Schools, Buncombe County Schools, and McDowell County Schools.

Full-time/year-round child care includes afterschool, out-of-school child care, and summer day camp. If you don't need an entire summer of day camp, you can

choose to send your child to YMCA Camp Watia for two weeks next summer instead.

The YMCA of WNC is the state's largest provider of licensed afterschool child care. We offer North Carolina star-rated, licensed programs designed for grades K-8, based on the Y's four core values of caring, honesty, respect, and responsibility.

Our afterschool programs build self-esteem, values, and leadership skills. You'll know your children are growing and exploring their potential, while they'll think they're just having fun!

Financial assistance is available. Sign up at ymcawnc.org.

NUTRITION HUB OPENS JULY 31 AT ASHEVILLE Y

The public is invited to attend the grand opening of the Y's new Nutrition Outreach Hub on Tuesday, July 31 at 4 p.m.

The space is located inside the Asheville YMCA in the heart of downtown. From this central location, the Y's nutrition team will be able to serve more families throughout western North Carolina with healthy fresh food through our network of mobile produce markets.

Light appetizers and refreshments will be available at the ribbon cutting. Come see the Y's charitable work in action and learn how you can volunteer to help reduce food insecurity in our community.

For more information about the Y's work feeding the community, see ymcawnc.org/nutrition.

FROM CRADLE TO CAREER

You know the Y is a great place for kids to learn, grow, and thrive. But did you know it's also a great place to work?

The Y has a wide variety of career options depending on your individual goals. There's always room for advancement. We invite you to join us in this amazing work—to develop your skills, realize your leadership potential, and discover a career that's so much more than a job.

We're now hiring youth mentors for summer day camp and afterschool programs, lifeguards, youth sports directors, aquatics managers, and many more full- and part-time positions in Buncombe, Henderson, and McDowell counties.
