World AIDS Day VIRTUAL EVENT

ALL DAY Tuesday, December 1st

World AIDS Day is December 1st. Although we can't meet in person this year, we will still celebrate as a community! **Virtual World AIDS Day** will feature the premiere of the **WNCAP Mini-Docs**, a series of short documentaries that tell the amazing stories of the people we serve. To see the Mini-Docs and our other World AIDS Day commemorations, follow **@wncap** on social media and subscribe to our e-newsletter at **wncap.org**.

Need Help? We Got Your Back.

WNCAP provides a variety of free community services, all of which are **100% confidential**:

- Testing for HIV and hepatitis C
- Referrals to affordable PrEP, a once-daily pill to prevent HIV
- Free condoms
- Harm reduction services, including naloxone
- Case management for people living with HIV
